

# Study Group Manifesto

**As a member of this Study Group I agree to the following:**

- I will socialize with other members outside of group study times.
- I will stick to the collective objective set by the group during study group times.
- I will approach group study times with a positive attitude and a growth mindset.
- I will prepare for group study by completing course reading, homework, etc.
- I will participate to the best of my ability to improve my own and other's learning.
- I will contribute equitably to the creation of group study resources.
- I will remove distractions and maintain focus during group study sessions.
- I will encourage, support, and motivate others toward success.
- I will be respectful and empathetic in recognizing the learning struggles of myself and others.
- I will challenge myself and others to continually grow in my individual and our collective understanding.
- If I am asked to leave the group due to an inability to follow the agreements in the group manifesto, I will do so without incident or prejudice.
